The Irishman Rally, an annual vintage and veteran car event, is organized by the Vintage Car Club of New Zealand. It's named after Irishman Creek Station, near Tekapo, the original destination of the rally, and is known for its challenging terrain and focus on pre-1931 vehicles. The rally attracts participants from all over New Zealand and is considered one of the oldest in the world.

**Come along on Wednesday 2<sup>nd</sup> July for a delightful evening of movies, tales and banter delivered by Terry Costello who is personally becoming part of the Irishman Rally legend.**
